

COMSEWOGUE SEPTA

Lecture Series Presents

'Bridges to Adelphi' Neurodiversity Program

Alexa Rein, M.A., LMHC

Wednesday April 10

7:00

Terryville Road School Library

Yes, you can go to college and get the support you need. Did you know there are college programs designed to provide peer interaction, organizational assistance, academic support, outreach, career planning and more for Neurodiverse/ASD students?

Join us as Ms. Rein will outline the 'Bridges to Adelphi' Program.

Parents and Students encouraged to attend.
